***Family Holiday Cottage, 40 Potter Hill, Pickering YO18***

We are again able to make available a Family Holiday Cottage in Pickering on a self-catering basis. Many Headway families have used the cottage in the past few years and they were all very pleased with it.

There is a patio and a small garden at the rear, where there are chairs and a table.

The cottage is centrally heated. It is warm, comfortable and well-equipped.

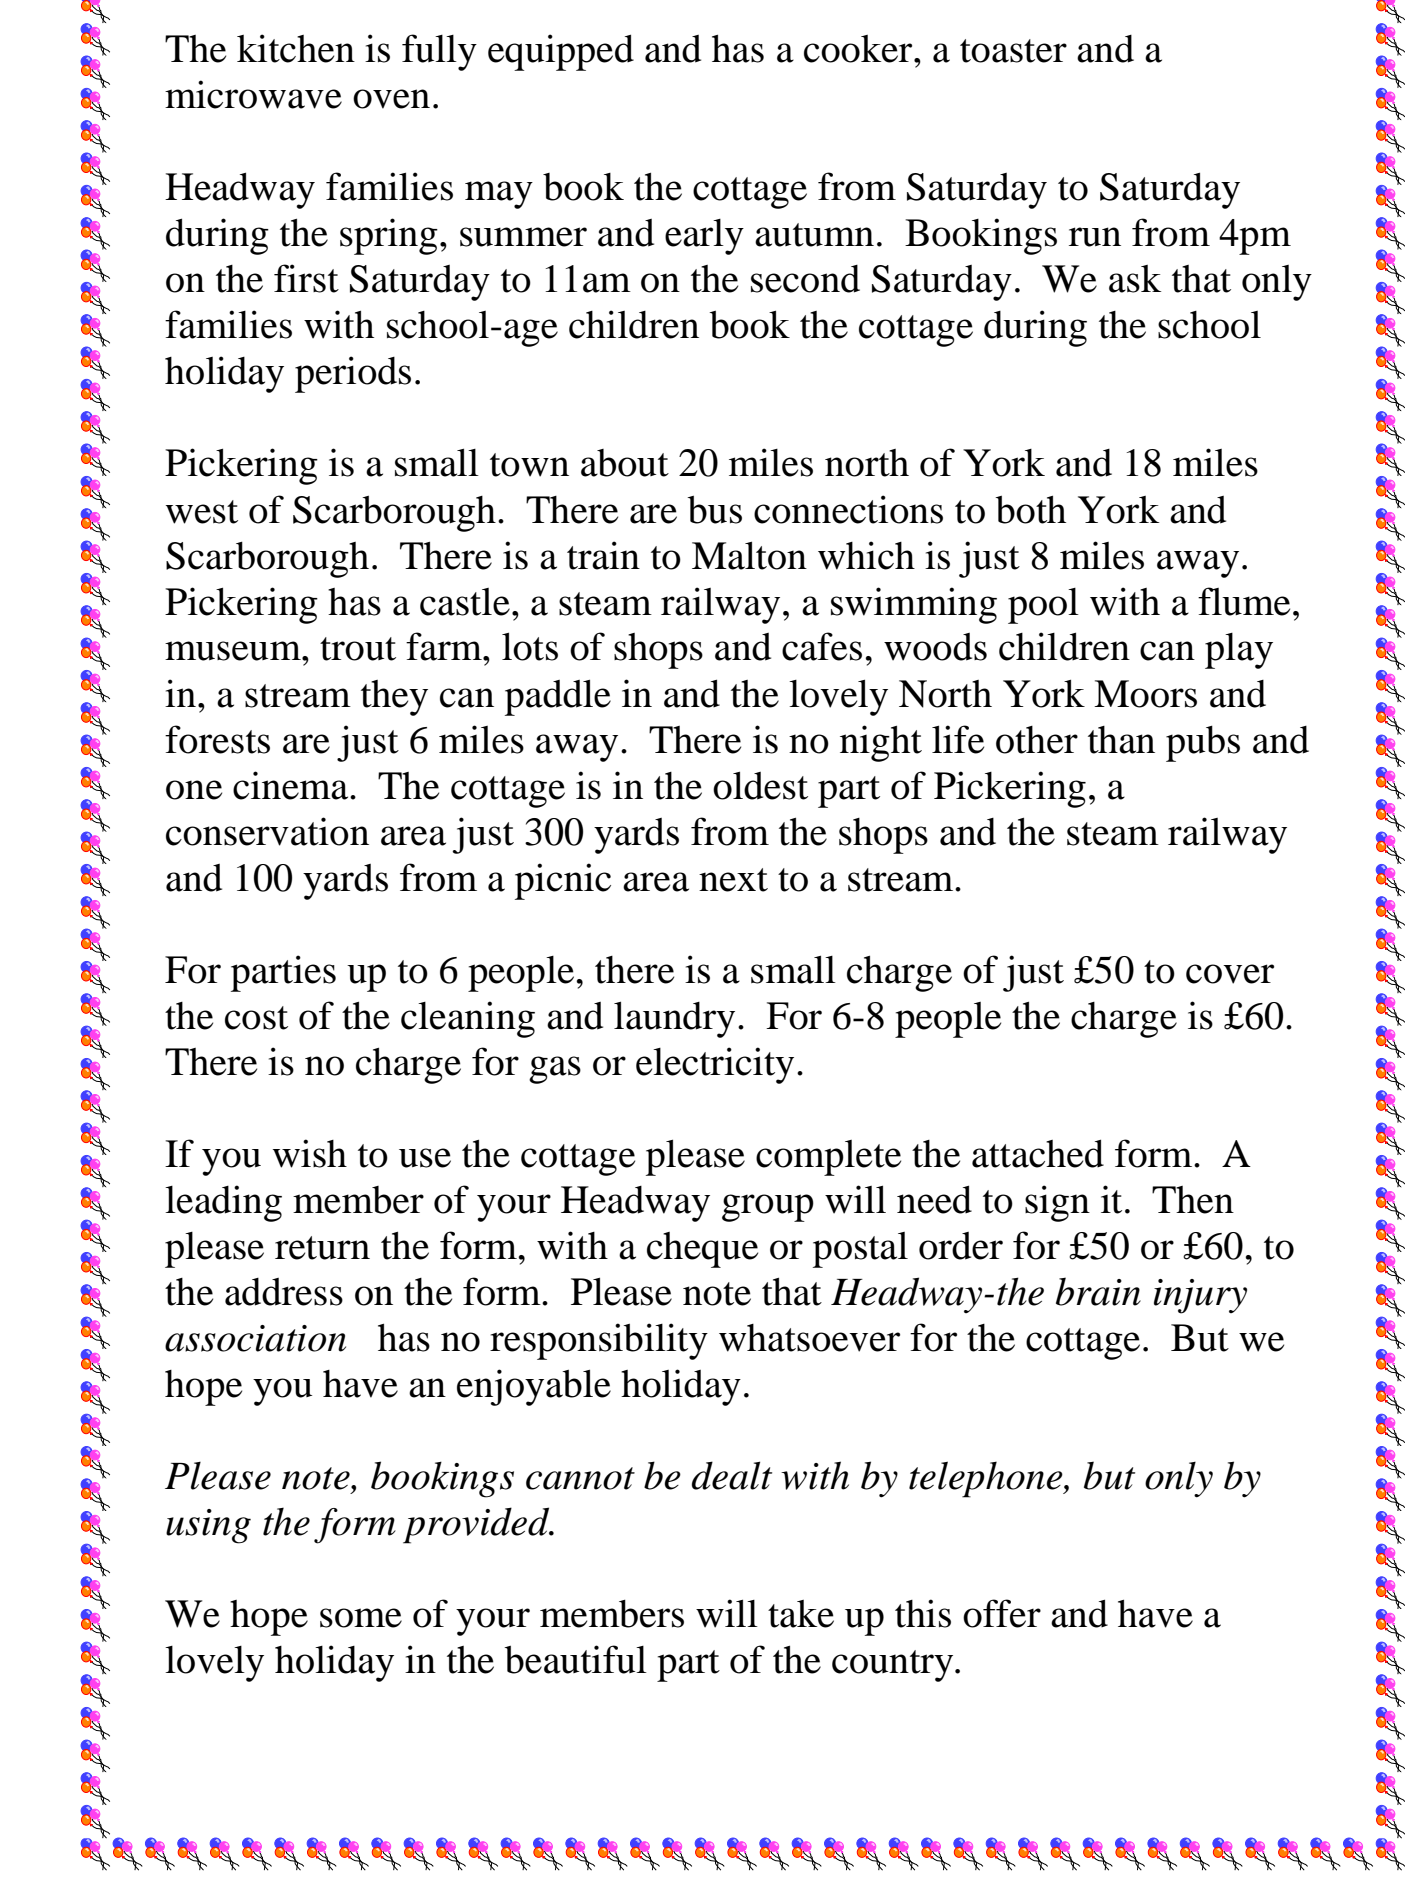

*The cottage is for use by families who would not usually get a holiday because of low income or other reasons*

There are 3 bedrooms sleeping 6 people in total (4 people in single beds and 2 in bunks) – 2 rooms on the first floor and 1 on the second. The top floor which sleeps two children in large bunks has lots of toys and games. There is one cot with a mattress but no bedding. There is also a sofa bed in the lounge.

You cannot park directly outside the Cottage although you can unload. There are two steps from the pavement into the cottage. We are sorry that dogs cannot be taken to the cottage.

There is a shower, toilet and wash basin downstairs as well as a bathroom with a shower and bath upstairs.

Remember to take bath towels to the Cottage. We provide two tea towels, bottom sheets, duvet, duvet covers, pillows and pillowcases for 6 single beds. We also provide 2 black bin liners, two toilet rolls, dishcloths and washing up liquid. There is a washing machine but we do not provide washing powder. All bedding is provided and laundered after your visit.

The kitchen is fully equipped and has a cooker, a toaster and a microwave oven.

Headway families may book the cottage from Saturday to Saturday during the spring, summer and early autumn. Bookings run from 4pm on the first Saturday to 11am on the second Saturday. We ask that only families with school-age children book the cottage during the school holiday periods.

Pickering is a small town about 20 miles north of York and 18 miles west of Scarborough. There are bus connections to both York and Scarborough. There is a train to Malton which is just 8 miles away. Pickering has a castle, a steam railway, a swimming pool with a flume, museum, trout farm, lots of shops and cafes, woods children can play in, a stream they can paddle in and the lovely North York Moors and forests are just 6 miles away. There is no night life other than pubs and one cinema. The cottage is in the oldest part of Pickering, a conservation area just 300 yards from the shops and the steam railway and 100 yards from a picnic area next to a stream.

For parties up to 6 people, there is a small charge of just £50 to cover the cost of the cleaning and laundry. For 6-8 people the charge is £60. There is no charge for gas or electricity.

If you wish to use the cottage please complete the attached form. A leading member of your Headway group will need to sign it. Then please return the form, with a cheque or postal order for £50 or £60, to the address on the form. Please note that *Headway-the brain injury association* has no responsibility whatsoever for the cottage. But we hope you have an enjoyable holiday.

*Please note, bookings cannot be dealt with by telephone, but only by using the form provided.*

We hope some of your members will take up this offer and have a lovely holiday in the beautiful part of the country.
